

# Memorandum

**Date:** November 1, 2016

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

Agenda Item No. 3(B)(3)

**From:** Carlos A. Gimenez  
Mayor

**Subject:** Resolution Authorizing the County Mayor to Apply For, Receive, and Expend \$118,249.00 in Grant Funds from the State of Florida Department of Health, Emergency Medical Services Bureau to Improve and Expand Pre-Hospital Emergency Medical Services for the State of Florida during Fiscal Year 2016-17

## **RECOMMENDATION**

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the County Mayor or County Mayor's designee to apply for, receive, and expend approximately \$118,249.00 in funds from the Florida Department of Health Emergency Medical Services Grant during the State of Florida Fiscal Year (FY) 2016-17; approximately \$68,204.00 of those funds shall be distributed to the Miami-Dade Fire Rescue and the balance of those funds would be distributed to municipal fire departments, as outlined in this memorandum; and to apply for, receive, and expend additional funds should they become available under this program in the same fiscal year.

## **SCOPE**

The grant will provide countywide services.

## **FISCAL IMPACT/FUNDING SOURCE**

This grant is anticipated to provide funding of \$118,249.00 from the State of Florida FY 2016-17. Miami-Dade Fire Rescue is expected to receive a revenue allocation of \$68,204.00. The grant does not require any matching local or in-kind funds.

## **DELEGATION OF AUTHORITY**

The County Mayor or County Mayor's designee is delegated the authority to enforce any of the terms therein.

## **TRACK RECORD/MONITOR**

The grant award will be monitored by Lisset Elliott, Grants Manager for the Miami-Dade Fire Rescue Department.

## **BACKGROUND**

Each year the Florida Department of Health's Office of Emergency Medical Services distributes grant funds as authorized by Chapter 401 Florida Statutes. These funds are made available to eligible county governments to improve and expand their pre-hospital emergency medical services. The funds are derived by the State from surcharges on various traffic violations.

Honorable Chairman Jean Monestime  
And Members, Board of County Commissioners  
Page 2

Since 1987, Miami-Dade Fire Rescue has been responsible for the application and distribution process of the State Emergency Medical Services County Grant. The grant stipulates that municipalities are to apply for and receive funds through their respective county government or county fire department. Members of the five (5) municipal fire rescue departments, as well as Miami-Dade Fire Rescue, conduct an annual needs assessment to formulate the Miami-Dade County application. The director of each respective fire rescue department reviews and approves the grant work and expenditure plans included in the final grant application package.

In order to receive their allocation from new grant revenues received from the State of Florida, each of the five (5) municipal fire rescue departments submits an approved agreement to Miami-Dade Fire Rescue. The distribution of grant funds to each participating fire rescue department is based on the percentage of combined total emergency medical services incidents the respective department responded to during calendar year 2015.

The State application deadline is December 16, 2016 and requires a resolution from the Board. The new funds will be distributed to the following municipal fire departments for emergency medical services incidents that these agencies responded to in calendar year 2015, as follows:

Miami-Dade County Fire Rescue Department.....	\$ 68,204.00
City of Miami Fire Rescue Department.....	\$ 33,377.00
City of Miami Beach Fire Rescue Department.....	\$ 5,485.00
City of Hialeah Fire Rescue Department.....	\$ 9,076.00
City of Coral Gables Fire Rescue Department.....	\$ 1,794.00
Village of Key Biscayne Fire Rescue Department.....	\$ 313.00

Total payment expected from the State of Florida:....**\$118,249.00.**

### County Government Application Form July 2016-2017

Effective August 26, 2016, county governments may submit their Fiscal Year 2016-2017 application for county grant funds. The deadline for submission is December 16, 2016. The new grant amount can be found in the "Total" column included in the link for the "county amount" table.

The first three items on page one of the application are self-explanatory. Please note that item 2 requires the signature of the individual who is authorized to sign contracts, grants, or other legal documents for the county.

Item 4 describes the content of the resolution. Please provide this in your county's customary format and approval process. The resolution must be current. If a previous one is still in-effect, a message from a lead county official stating such for 2016-2017 must be included.

Item 5 requests the names of the organizations that will receive funds from the new county grant. A budget page is needed for each organization listed in Item 5. The budget page must list specific and quantifiable items or services, with the cost for each unit or type of item or service. All costs must add to the exact amount of grant funds available. Changes may be requested after the new grant begins.
